for the following articles:

**The Russell Europe ranges of garments: Dyed cotton, cotton/acrylic, cotton/polyester, polyester and polyamide garments and blends with Lycra®. Including accessories: sewing and embroidery threads, woven and printed labels, linings, elastics, reflective tape, buttons, ribbons, metal fasteners, hook and loop fasteners and zippers. Based on pre-certified materials according to Oeko-Tex® Standard 100.**

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**This authorisation is valid until 12.07.2017**
